
DominionAG promotes Marc Finch to director of operations

Coral Gables-based [DominionAG](#), a division of [Dominion Builders](#), has promoted **Marc Finch** as director of operations.

“Marc’s extensive construction experience, along with his proven track record of completed projects while at Dominion Builders, made him the perfect candidate for this position,” said Dominion Builders president **Mark Gemignan**. “His expertise in agricultural facilities, including cannabis production greenhouses, is a critical asset to the growth of DominionAG.”

Finch has more than 18 years of experience in commercial construction and development. He previously held the position of construction manager with Keenan Development, which allowed him to oversee local, state and national projects for clients such as Westfield Malls, Total Wine & More, Keiser University and Macy’s, among others.

Finch is an active member of the Associated Builders and Contractors East Coast, Gulf Coast Builders Exchange and the American Motorcycle Association.
